

## Engineered for Performance

HURCO Technologies provides the right tools to make your efforts safer, highly productive and more profitable.

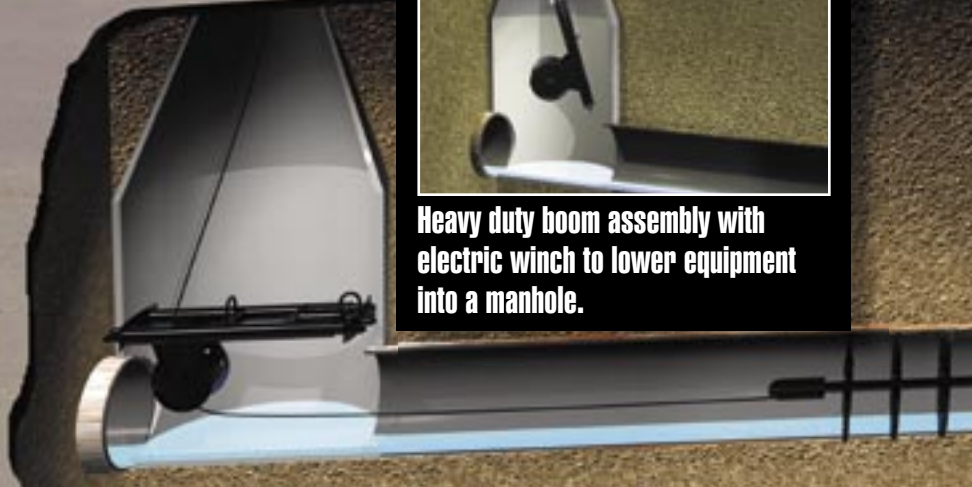

Combined with HURCO's Re-rounder™, Cable Puller, Ripcord™ Ventilator/Stringer and Roller Guides, the HURCULES™ can fashion a "turn-key" re-rounding system that will make repairs of deflected pipe faster and safer.

Heavy duty boom assembly with electric winch to lower equipment into a manhole.

## PERFORMANCE COUNTS

**HURCULES™ really shows its strength when used:**

- With Hurco's Re-Rounder to repair deflected P.V.C. sewer pipe.
- In sewer pipe re-lining projects.
- For minor pipe cleaning operations.
- Or any application requiring cable pulling.

- Quick Setup
- Hydraulic outriggers for quick leveling and stabilization.
- Diesel Powered for maximum power.
- Planetary Gear type winch.
- Up to 20,000 lbs of line pull.

If any HURCO product does not perform exactly as we claim, let us know within the first 10 days after purchase and we'll refund your money.
