

# Re-rounder™

## Engineered for Performance

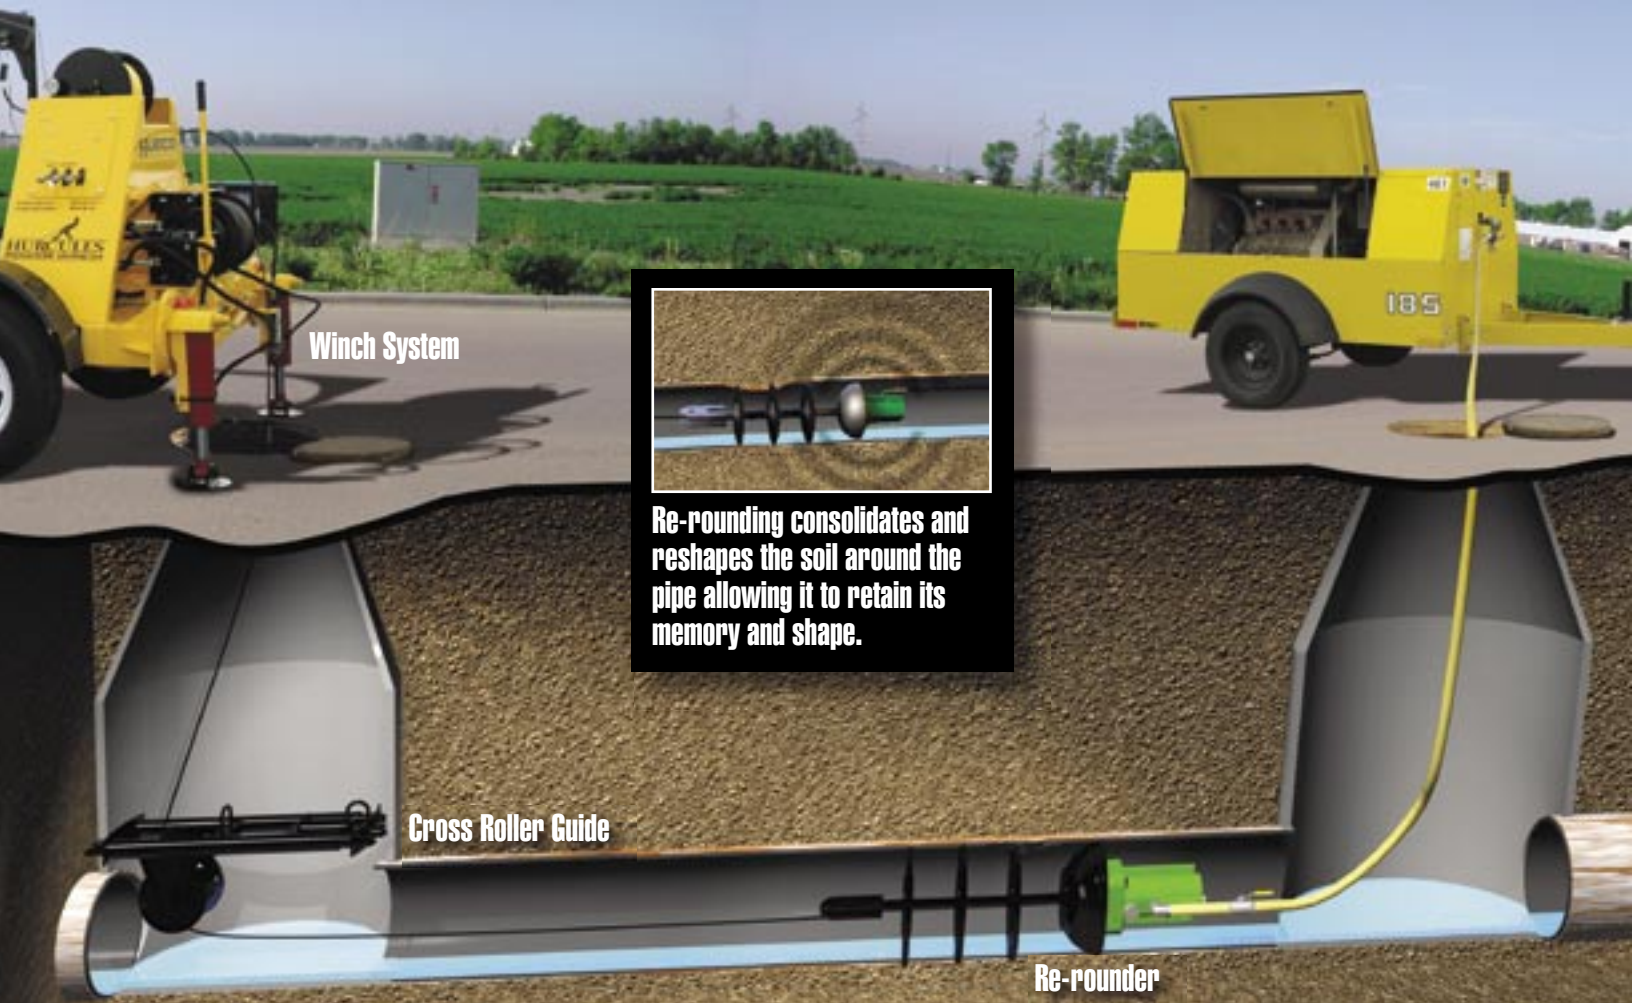

HURCO Technologies provides the right tools to make your efforts safer, highly productive and more profitable.

Combined with HURCO's Hurcules™ Winch System, Ripcord™ Ventilator/Stringer and Roller Guides, the Re-rounder™ can fashion a "turn-key" re-rounding system that will make repairs of deflected pipe faster and safer.

 **HURCO**  
TECHNOLOGIES, INC.®

Winch System

Re-rounding consolidates and reshapes the soil around the pipe allowing it to retain its memory and shape.

Cross Roller Guide

Re-rounder

## PERFORMANCE COUNTS

- Repair deflected pipes in 1 hour, eliminating hours or days of work.
- Keep your crews busy on money making jobs, rather than on unprofitable repair work.
- Eliminate dangerous work areas due to re-excavation. Avoid injured workers and worker replacement costs.
- Avoid damage to adjacent property.
- Avoid traffic disruption.

If any HURCO product does not perform exactly as we claim, let us know within the first 10 days after purchase and we'll refund your money.

Call before you dig!  
With the Re-rounder™ system, deflected pipe can be repaired without re-excavation. Do for pennies with re-rounding what would otherwise cost thousands of dollars to dig up.
